Kalamazoo, MI – Please find the following statement from the Kalamazoo County Health & Community Services Department regarding a COVID-19 death. To provide context, our updated definition of older adult is persons 60+ years old:

Kalamazoo County Health & Community Services Department (HCS) received notification of a death in Kalamazoo County attributed to COVID-19 yesterday. The individual was an older adult between the ages of 60-79 years and did not have underlying medical conditions. This brings the total number of deaths in Kalamazoo County to twelve (12), with all being 60+ years old.

HCS will have the following data on the dashboard today:

Total COVID-19 Deaths in Kalamazoo County by Age Group		
Age Group	Count	Percent
0-19	0	0.0%
20-59	0	0.0%
60-79	5	41.7%
80+	7	58.3%
Total	12	100.0%
