

Cooper Fire Department held two training sessions in the month of February both in person and web based. The Firefighters trained on Firefighter Safety in the 1st drill and Child Birth during the 2nd drill. There were 57 calls for service this month, bringing the year total to 114, the majority being EMS type calls. Spring is coming, much of the ground vegetation is dormant, brown and dry. It's important to practice safe burning habits and follow your areas ordinances when burning leaves and yard waste.
