

Dear Kalamazoo County Resident,

We are creating a plan to increase broadband access and adoption in Kalamazoo County. Our first step is mapping the current broadband availability. Please help us identify broadband access and gaps within the community by **responding to this five-minute survey** by **October 8th**.

Options to fill out the survey:

- 1) Scan the QR code or follow this link:
<https://www.surveymonkey.com/r/kzoocountybroadband>
- 2) Call 269-385-0409
- 3) Paper copy of survey in your township hall

We are relying on your response to help us fill in the missing data so that we can build a plan that ensures all of Kalamazoo County has access to broadband.

Thank you for being part of the community,

Kalamazoo County Broadband Planning Committee
