## 7. Instructions & Disclaimers

- A. The work described in this application shall not commence until the permit for said work has been issued by SMBA.
- B. No work shall be concealed until it has been inspected and approved.
- C. When ready for inspection, contact Cooper Township providing as much advanced notice as possible. Inspection requests require at least 24 hours' notice.
- D. Permits are valid for 180 days from the date of issuance. If work is not completed by the expiration date, you may request an extension. Extensions are granted at the sole discretion of the building official. A permit shall be deemed abandoned if work has not commenced within 180 days after the issuance of the permit. A permit may be closed when no inspections are requested prior to the expiration date of the permit. Closed and abandoned permits will not be refunded, and new permits shall be required should any abandoned work resume.
- E. Submit the completed application and all applicable supporting documentation for review. Please refrain from submitting documents piecemeal. Doing so will delay the processing of your application by our staff.
- F. Once the review of your application is completed, Cooper Township will calculate the permit fee and assess any 3<sup>rd</sup> party review fees. You will be notified that the permit is ready for pickup, and you may pay the fee at that time.
- G. Checks may be made payable to "Cooper Township". Cash payments are accepted in-person only.
- H. "As Built" plans are required prior to the issuance of a certificate of occupancy for projects that have had changes made to the original drawings.

## 10. Site Plan – To Be Completed by Applicant

Site plan representations provided below must include all building extensions or projections. Include current buildings and notate the setbacks. Provide dimensions of proposed structures and distances between existing structures. Indicate the direction of North. Sketch area is 30 (width) x 34 (height). Each square is 0.25" x 0.25".

The form consists of a large grid for drawing a site plan. The grid is 30 units wide and 34 units high. A vertical line is drawn at the 15th unit mark from the left, and a horizontal line is drawn at the 17th unit mark from the top. This divides the grid into four quadrants: top-left (15x17), top-right (15x17), bottom-left (15x17), and bottom-right (15x17). Each small square in the grid represents 0.25 inches by 0.25 inches.
