

EPS Foam Recycling

Next date: Saturday, October 12, 2024 | 10:00 AM to 01:00 PM

Expanded Polystyrene (EPS) foam, electronics, and other recycling is available to Kalamazoo once every quarter. Residents can drop off any amount of the accepted materials during collection times. Volunteers will be set up in the parking lots of Mayors' Riverfront Park from 10 a.m. to 1 p.m. on collection days. **Please do not leave material unattended outside of the collection times.**

The program is only possible with help from dedicated volunteers- join us in thanking them when you drop off your EPS foam and other items!
